

# Welcome @ AP University College Antwerp!

Our mobility opportunities for both students and staff in a nutshell

## For students

### 1. International Class 'Education and Social Work in a Metropolitan Context'

- Autumn semester (30 ECTS)
- Interdisciplinary approach, well balanced mix of teacher training students and social work / social educational care work students
- See <https://www.ap.be/international/es-mc>

### 2. AP's 'European Project Semester'

- Spring semester (30 ECTS)
- Innovation lab, strong focus on interdisciplinary project work in a real-world environment
- See <https://www.ap.be/international/eps>

## For staff

### 1. AP International Week

- April 2020
- Every second year AP welcomes the staff of our partner universities for a vibrant exchange week.
- Your students are also welcome!

### 2. International Social Work: Perspectives in Europe

- October, November, December 2019
- Teachers and researchers are invited to present the status of social work in their home country and elaborate a lecture, workshop or presentation for (a group) of international students.

### 2. Social Educational Care Work (SECW) International Week

- From Monday November 4 to Friday November 8 2019
- Workshops for social educational care work students and international students
- All topics are possible as long as they are related to the work field of SECW or the cross-over with education and social work.
