

# Ede Christian University of Applied Sciences The Netherlands

Christelijke Hogeschool Ede is a medium-sized, Christian university. CHE is a place where students can grow and get inspired to develop themselves to professionals who contribute to the society.

## CHE fields of education:

- Health Care
- Social Studies
- Communication & Journalism
- Business Administration
- ICT
- Theology
- Education

## Our strong points at a glance

### Identity

CHE is a Christian University. Developing a personal vision, respect for others and developing a concrete expression of your faith in your field of profession are a part of this. We pay attention to this in our classes.

### Outstanding quality

Based on student appreciation and expert ratings, CHE University of A.S. has been ranked No 1 in the Dutch National Rankings for more than 15 years. You can count on excellent facilities, student guidance, educational quality and relevance for the work field.

### Personal approach

CHE is a small university and is known for its personal student approach. Students and university workers form a strong community in which living, learning and personality building are key factors to be achieved together.

 **5000+**  
students

 **550**  
staff members

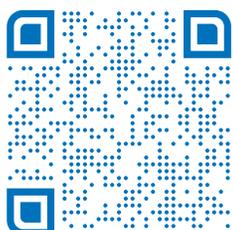

### Visa (non EU) and housing

Less than 90 days: you have to apply for a tourist visa at the Dutch embassy/consulate in your country

More than 90 days: CHE will apply for a visa and residence permit for study for you. We will inform you about the procedure after your application.

For visa and housing information, visit here:

<https://www.che.nl/en/practical-information>
